PERSONAL PROJECTS

Pexels (Clone)
- This app is clone of popular pexels website, we used pexels API itself
- link - visit

MasaiGram
- A social media app with very much useful features. It's totally build on JavaScript
- link - visit

ACHIEVEMENTS

RevvSales 2020 Hackathon (winner)
It was two days Hackathon and we have to make something interesting and fast at the same time. We figure out idea and then put ourselves for remaining 48 hours to complete our idea. At the last our work pays off.
